### MMR Immunity

**Description:** Healthcare workers and trainees who provide patient care or perform clinical services, all students and others at risk for exposure must be immune to measles, mumps, and rubella to prevent cases in the community and protect patients from exposure.

"Yale University Employees, Faculty and Staff can have this requirement fulfilled through vaccination or blood test at no cost at Yale Employee Health. Contact information available at the [Yale Employee Health website](#).

*If you have questions about this requirement or how to satisfy it, go to Contact Us."*

**\* What would you like to complete?**

Vaccination

Immunity Blood Test

Born before 1/1/1957

[Next](#)

Health Requirement Name	Compliance Status
MMR Immunity	Non-Compliant

4. Clicking on a Non-Compliant health requirement will show a familiar screen for satisfying the requirement. Proceed with the screen as usual to complete your requirement.
